

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

JAY G. KIMPEL,

Plaintiff,

v.

KING COUNTY JAIL, et al.,

Defendants.

C15-1500 TSZ

ORDER

The Court, having reviewed the Report and Recommendation of the Honorable James P. Donohue, docket no. 70, and defendants' objections thereto, docket nos. 71 & 74, does hereby find and ORDER:

(1) The Report and Recommendation is adopted. Defendants have not shown that dismissal with prejudice is warranted. The fact that a jail lookup service may have listed the same address to which the unclaimed mail was sent provides insufficient proof of defendants' assertion that Mr. Kimpel is refusing to claim correspondence from the Court and opposing counsel at his listed address. Further, the Court declines to grant defendants' alternative request that Mr. Kimpel's case be dismissed pursuant to Local

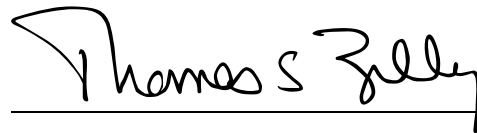

1 Civil Rule 41(b)(1) “in due course” if Mr. Kimpel “persists in his failure to prosecute.”

2 *See* Defs’ Revised Objections, docket no. 74 at 3.

3 (2) This matter is DISMISSED, without prejudice, for failure to prosecute
4 pursuant to Local Civil Rule 41(b)(2).

5 (3) The Clerk is directed to send a copy of this Order to all counsel of record,
6 to plaintiff pro se at his last known address, and to the Honorable James P. Donohue.

7 Dated this 27th day of December, 2016.
